Dear Prof. Krishna Rao,

very many thanks for giving us recently at the RAJENDRASINJH INSTITUTE such a brilliant exposition of Indian Classical dancing.

Great credit is also due to your wife, and the rest of your delightful party for the very hard work which they must have put in, in order to make everything the success it was.

To those who were privileged to watch, it was entertaining, interesting and educative.

Once again many thanks and I do hope you are all well.

Yours sincerely,

Sd.M.S.Dillon.

Dear Mr. & Mrs. Krishna Rao,

I have been wanting to write to you ever since I left Bangalore to thank you for the wonderful evening you gave us. I cannot tell you how much I enjoyed it the magnificant dancing, how in that heat you both managed to convey such beauty and meaning that I forgot to be not and only shared and enjoyed.

Dear Friends,

It certainly is a long time since you have heard from either of us but please be assured that we have not forgotten you. Carola and I speak about you many times. I can never begin to thank you enough for your wonderful hospitality during our stay in Bangalore and your willingness to share your knowledge. That City will always be a favourite location in my remembrance of India. You taught us so much. I have sent on your literature to America and let's hope the interest and Funds grow enough to fulfil your coming here.

Best wishes from both Carola and me.

With all kindest regards,

Sd.M. MATTEO
